Under Rentals, students who have purchased a Cengage Unlimited subscription can easily:

- View the rental history
- See projected rental return due dates
- Extend or buy out an active rental

When does the rental start date begin?

- All Cengage rentals have start dates set after Cengage ships the product.

How much does it cost to buy or extend an active hardcopy rental?

- **To BUY:** Cost is textbook list price minus any money spent on the rental to-date. Shipping and handling fees are excluded.
- **To EXTEND:** Cost is a prorated amount of the textbook list price based on the duration the student selects.
