

# Who are the attackers?

**Mission Assignment:** MP1-3

**Type:** Individual - Blackboard Discussion Board Forum: **MP1-3: Attackers**

**Resource:** Internet, assigned reading.

**Description:**

Computer attackers can be divided into several categories. This assignment will require that you define one of these attackers, the category of attacker and some suggested discussion points will be detailed in the discussion board.

For additional information pertaining to the categories of attackers click on the link below.
