NTC Dental Clinic Offers Affordable Care

Northcentral Technical College's (NTC) Dental Clinic offers affordable dental services to the community. Services are provided by Dental Hygiene students, under the supervision of licensed dental instructors with a focus on preventative dental care.

WHAT WE CAN PROVIDE

- Medical History Update with Blood Pressure/Vital Signs Screening
- Oral Cancer Screenings
- Dental Cleaning
- X-Rays
- Fluoride Treatment
- Patient Specific Oral Hygiene Instructions
- Sealants

HEALTHY TEETH

We're here to help you keep your teeth and smiles healthy!

REASONS TO VISIT US

All of your teeth are vulnerable to decay or gum disease. The Dental Clinic at NTC is a cost effective way to receive preventative services.

- Our appointments take about three hours and may require multiple appointments to complete treatment (depending on treatment needed).
- All work is done by qualified dental hygiene students under the supervision of Dentists and Registered Dental Hygienists.
- Results from the dental cleaning (including x-rays) and treatment provided will be sent to your current primary dentist.

COST

- Ages 4-12: $15
- Ages 13-17: $20
- Sealants: $10/each ($40 maximum charge per visit)
- Payment due on day of service.

We provide dental services to adults too!

- Ages 18-64: $20
- Age 65+: $15
- We accept Medical Assistance Cards and provide dental care for a $2 charge with proof of card.
- We do not submit charges to any insurance companies.
- Payment due on day of service.
