

Tracking Comments & Example Emails

When creating comments on a flag to the student, there is no need to address the student. A personal generated message will be created that addresses the student.

Please be mindful and keep the comments concise, straight-forward, and factual. Please refrain from including personal opinions and inappropriate language/content in the comments as this is information that a student may request.

These are samples of what the student sees when a flag has been raise:

Participation Concern flag

The screenshot shows an email inbox with a single message from "gruetzmacherr@ntc.edu" dated "Thu 11/9, 11:05 AM" and "Southworth, Amy L." The message subject is "Participation Concern". The message content is as follows:

Action Items

Dear Amy Southworth,

You have been assigned a Participation Concern notice in COLLABORATIVE COMPUTING.

I believe that you can be successful in your academic studies and know that consistently participating in class is the first step to accomplishing your goals. Not participating regularly in courses can affect your grades and academic performance. It is not too late to change your participation habits.

Here are my additional comments:
Test flag #2.

NTC has many resources that can aid your effort to improve academic performance and assist with personal concerns. Please reply to this email to contact me, or consider contacting your advisor for resources and suggestions for improvement.

We care about your success!

Sincerely,

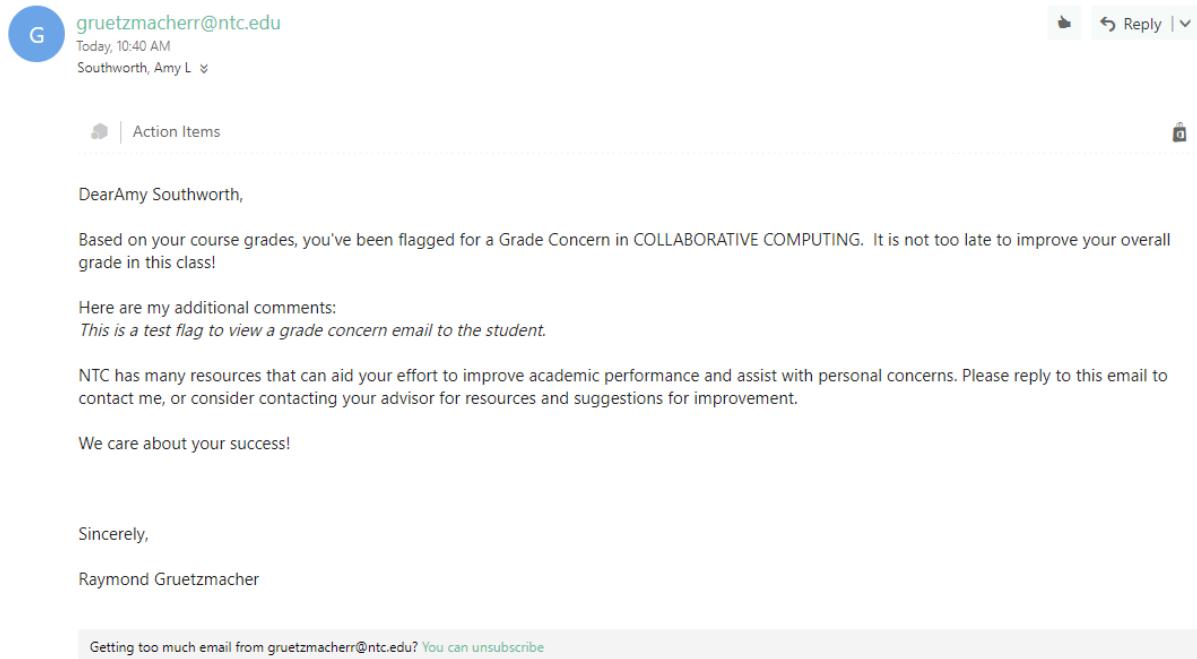

Raymond Gruetzmacher
