CORE BELIEFS

These are guiding principles or values that are inherent in the institution.

Learner Focus

We believe in an educational environment that exceeds learner expectations and helps them reach their unique potential.

Continuous Learning

We believe in a learning organization comprised of individuals who are competent, forward thinking, accountable, caring and collaborative.

Ingenuity

We believe in innovation of learning and services through creativity and forward thinking.

Access

We believe in access for all learners through geographic, financial, service, and learning delivery alternatives.

Service to Community

We believe in service to our communities to meet their economic and educational needs.

Diversity

We believe in diversity of thought, culture, opinion, economic status, age, gender and physical capabilities.

Culture of Professionalism

We believe in a culture that exudes professionalism, treating internal and external customers with integrity and respect.

STRATEGIC DIRECTIONS

Growth - The College achieves growth through innovation, flexibility, access, and the strategic analysis and marketing of competitive and environmental information.

Innovation - The College implements new products or services to meet current and future stakeholder needs.

Strategic Partnerships - The College becomes the preferred strategic partner of area businesses and industries, K-12 districts, local communities, entrepreneurs and other institutions of higher education to support learning and economic development, establishing NTC as an educational leader.

Organizational Development - The College encourages and supports professional growth and team development throughout the organization.

Continuous Quality Improvement - The College develops innovative ways to continually improve learning, support systems, and processes, and the responsible use of natural resources that enhance organizational effectiveness and demonstrates sustainability.

Fiscal Strength - The College prudently manages and strengthens its financial resources in order to thrive in a complex and changing environment.

Student Success - The College promotes student retention, degree completion, career and job placement and engages a diverse student population through its programs, support services, and campus settings.
